Trains stop on the lower and upper levels. Please make your way to the ground level and exit the train station at the north or south entrances.

If you require a special taxi, for example a large taxi for more than max. 7 adults and luggage, kindly ask one of the taxi drivers to order one if there is none already in the cue.

If you require something different, then we suggest you call a car service such as:

www.mydriver.de
www.uber.com

The entrance is through the café on ground floor, left of the main building entrance. If the café shutter is down, then please call or text one of the mobile numbers on the window or buzz "Linnen" on the building's intercom system.
